

**Director of the Institute of Theoretical and Applied Informatics
of the Polish Academy of Sciences
announces an open competition for a research assistant position in the
Machine Learning Group**

INSTITUTION: Institute of Theoretical And Applied Informatics, Polish Academy of Sciences

CITY: Gliwice, Poland

POSITION: research assistant (pol. asystent)

SCIENTIFIC DISCIPLINE: information and communication technologies

ANNOUNCEMENT DATE: 2024-11-21

SUBMISSION DATE: 2024-11-28

WEBSITE: www.iitis.pl

KEYWORDS: machine learning; data analysis

DESCRIPTION: IITiS PAN offers the position of a research assistant in the Machine Learning Group. The involved person will participate in the implementation of research topics related to the preparation of machine learning algorithms for industrial applications. The position does not include teaching duties.

Requirements:

- Master's degree (pol. magister) in the fields of computer science;
- programming skills in Python, including knowledge of the language's computational libraries and the technology stack used to prepare computational solutions;
- knowledge of machine learning methods and techniques, especially deep learning, supported by completed projects or training;
- good knowledge of spoken and written English (minimum B2 level);
- the ability to work effectively in a team.

Additional advantages:

- Practical engineering or business experience in implementing applications using machine learning or data analysis.

Required documents:

- application;
- CV (with the note *“I consent to the processing by IITiS PAN of my personal data contained in my offer for the purposes necessary to carry out this recruitment process”*). Providing personal data in the competition is voluntary, but necessary to carry out the recruitment process;
- graduation diploma;
- statement that in case of employment, the IITiS PAN will be a place of scientific activity in the field of technical computer science and telecommunications

within the scope of the Act of 20 July 2018 – Law on Higher Education and Science;

- a statement stating that in the event of winning the IITiS PAN competition, I will declare that I will be included among the number of employees conducting scientific activities in the discipline of technical computer science and telecommunications information technology, within the meaning of the Act of 20 July 2018 - Law on Higher Education and Science)
- additional documents (or their copies) confirming qualifications.

IITiS PAN does not provide accommodation.

Applications for the competition should be submitted in person or sent to the Secretariat of the Institute of Theoretical and Applied Informatics of the Polish Academy of Sciences, ul. Bałtycka 5, 44-100 Gliwice, with a note on the envelope: "Competition for the position of assistant at the ZUM". Alternatively, scanned documents should be sent by e-mail to the following address konkursy@iitis.pl with the subject "Competition for the position of an assistant at the ZUM", and paper versions should be sent by regular mail. If approved, the candidate will be required to provide paper copies of the application documents.

The deadline for submitting applications expires on **2024-11-28 14:00** (the date of receipt by IITiS is decisive).
